

Guyenne Papier's SuniBarrier products are 100% eco-responsible.

LADYBEE

THE SPECIALIST!

Available in Jumbo and Format

Characteristics

LADYBEE is a **water vapour barrier product and heat-sealable.**

The surface treatment applied is water-based and does not release nanoparticles.

Our LADYBEE coating is :

- **Repulpable and recyclable.**
- **Complies with food contact regulations (EC) N° 1935/2004, (EC) N° 2023/2006 and (UE) N° 10/2011).**

Several grammages possible.

Advantages

- **Excellent water vapour barrier**
- **Excellent heat-sealing on all substrates**
- Compatible with wet elements
- Food contact
- **Film and resin free coating**

Applications

Packaging for dry, non-fat products:

Paper packaging, macula, seeds, herbs, salt, sugar...

SuniBarrier LADYBEE paper has a low water vapour permeation (WVTR) and excellent water repellency
